To Whom It May Concern:

The reason for this letter is to obtain an excused absence for a student in your school who observes the following Biblical holy days commanded by God: The Day of Atonement on October 19th and the Feast of Tabernacles October 24th thru 31st.

October 19th is observed locally, but the 24th thru 31st will be observed at Laguna Beach Christian Retreat, so travel time there and back is also required.

The observance of these religious holidays can be found in Leviticus 23 and numerous other Old and New Testament passages. This is not "a family vacation". As such I am requesting an excused absence be granted and that the attendance of this commanded assembly by God not be held against them academically as required by Federal law.

Please allow ample time to make up any assignments that are missed. Thank you in advance for your cooperation in this very important spiritual matter. Thank you for your understanding and for allowing them to observe this deeply held religious conviction. If there is any problem, feel free to call me with any questions you might have.

Sincerely,

Mark Carr
